Report Period: Oct 19-Nov 1

Summary of Progress in this Period

Little progress has been made the past couple weeks due to midterms that some of us had during this period. We did have some things finalized and completed while others are still a bit at the start, such as the regulator schematic.

Plans for Upcoming Reporting Period

We need to talk to our client/advisor and bring them up to speed with what we have so far. While it may not be much, these last couple of weeks will be vital in order to start building our project come second semester.
